Dear Sir:

This is in response to your letter of 5/22/81. Bernardean University has been ordered to cease operation by virtue of an attorney general opinion as to the legality of the institution. It is our understanding that the school is no longer in operation. If you know otherwise, please let me know.

Sincerely,

  
Robert D. Welty, Consultant  
Office of Private Postsecondary Education  
(916) 445-3427
