Custom Designed with the Spine in Mind
Custom Designed to help treatment of the Spine
Custom Designed with the Chiropractor in Mind

As an aid to:

Repair the Spine
Regenerate the Spine
Correct the Spine
Normalize the Spine

Organ Specific Cellular Components help Repair, Regenerate, Correct and Normalize the Specific Cellular Complexes they were derived from.

Activate the Body's own Innate

This truly will Help your adjustments
This truly will Support your adjustments
This truly will Strengthen your adjustments

This is not just something New
This is something truly Wonderful
You are now Entering into New Dimensions

Where no one has gone before

- skin
- cauda equina of spinal cord
- interspinous ligament
- spinous process of vertebra
- dura mater
- body of vertebra

- cross-section of spinal cord
- gray matter
- central canal
- cavitation of spinal cord
- syringomyelia
- bulging spinal cord
- white matter
You are entering into the Support Zone

New Dimensions of Support

- gray matter
- white matter
- dorsal root
- ventral root
- spinal cord
- preganglionic visceral efferent nerve
- sympathetic ganglion
- post-ganglionic visceral efferent nerve
- somatic efferent nerve
- spinal nerve
